

# InterNational Jamboree 2016

The 29th Icelandic InterNational Jamboree will be held from 17 – 24 July 2016. The InterNational Scout Jamboree is one of the largest scouting events held in Iceland, and this year's theme will be "The Great Expedition".

The Jamboree is open to all scouts between the ages of 10-22. In addition, everyone is welcome at our family camp.

The opening ceremony will be held on Sunday, 17 July. Participants are expected to have settled in prior to the start of the ceremony. Visiting day will be Saturday, 23 July, during which families and friends of participating scouts will be invited to attend Carnival Day. Saturday evening marks the high point of the Jamboree – the Festival Programme and Campfire. Truly an event not to be missed!

Registration will be open from 01 October 2015, on the Jamboree's website: [www.skatamot.is](http://www.skatamot.is)

On our website you will find all essential information about the Jamboree. There will

also be a site for contingent leaders. The Jamboree Facebook page is currently active, and we encourage you to follow us at [www.facebook.com/jamboree2016](http://www.facebook.com/jamboree2016)

## Jamboree fee

## Elective Programme

### World of Travel

Úlfljótsvatn has a lot to offer in terms of outdoor activities, and provides excellent opportunities to enjoy nature. No one should leave Úlfljótsvatn without going on a hike without the aid of a map, compass, or GPS device. Everyone should be able to find a hike suited to them. We offer shorter trips; hikes for the average Joe, as well as more adventurous hikes for those up for the challenge. Enjoy the scenery at Úlfljótsvatn and make new memories.

#### F – 01 Ljósafossvirkjun (power station)

The walk to Ljósafossvirkjun is fun and is suitable for everyone. At Ljósafossvirkjun you will find an exhibition worth visiting.

#### F – 02 Úlfljótsvatnsfell (hill walkina)

Úlfljótsvatnsfjall is a hill adjacent to Úlfljótsvatn, which you should definitely try to climb, to enjoy the view.

#### F – 03 Búrfell(mountain)

The hike to Búrfell is an enjoyable hike, where you can find your own adventurous way or simply follow the marked path. At the top you will find a lake amidst beautiful scenery, and of course a great view.

#### F – 04 The small Circle

This hike around Úlfljótsvatnsfjall is classical. We are talking about great hike that is suitable for everyone. You will walk the path that is linked to the Jamboree site inextricably

#### F – 05 Úlfljótur's walk

This is a hike through the surroundings of the Jamboree site. Nearby, you can discover special places, which are easy to reach, but where you may enjoy scenery you may not have seen before.

This is a good hike for experienced hikers.

#### F – 06 Úlfljótsvatn Golden Circle – 24-hour trip

On this hike around Úlfljótsvatn. you will stay overnight at the north end of the lake. This is a hike of which you will have great memories later.

#### F – 07 Laugarvatnshellar (Cave tour –24-hour trip.

Cycle to Laugarvatnshellir (cave) and stay there for the night. This is a great trip, through beautiful landscape.

## The World of Water

Úlfljótsvatn is known for its varied water activities. You too can experience these at The World of Water / Waterworld, where you will have a great time canoeing, kayaking, and yachting, or even sailboarding. At Waterworld, there will be water activities for everyone. What could be better than a water balloon fight, a waterslide, or maybe beating your personal time record at the water safari again and again.

### V – 01 Water fight

Do you need to cool down your fellow scouts? This water fight is a perennial favourite at Úlfljótsvatn Jamborees.

### V – 02 Boats

Have you always wanted to try different kinds of boats? Here you have the chance to do so. You can participate in a boat race, learn to sail, or just enjoy a quiet boat trip on the lake. Just remember to bring sunscreen.

### V – 03 Water safari

Who wants to be water safari champion of the Jamboree? Time yourself at the water safari or do it at your own pace and style; it's going to be fun.

### V – 04 Sail to the island

For some, sailing in circles on the water isn't enough. If so, you're in luck, because you have the opportunity of sailing to the island in the middle of Úlfljótsvatn. Think you can make it both ways? Be prepared, and bring extra clothes.

### V – 05 Build your own boat

Can you and your group build a boat that can float? You will be provided with some of the necessary materials, but you will have to use your own creativity to actually accomplish the task.

### V – 06 Waterslide

A hill, a long slide, some soap, and water. Need we say more? A great combo that never fails.

### V – 07 Water games

The possibilities are endless when it comes to having fun with water. Here, we are going to play water games. Just don't expect to return dry.

### S – 01 Essential knots

Here you will learn at least 6-8 knots, which every scout should know.

### S – 02 Twisted knots

Knowledge of some difficult knots may be useful, whether for practical reasons or just for fun. Here, an expert will teach you 4-6 more complex knots.

### S – 03 Decorative knots

We all have fun decorating. Do you dream of having a Christmas tree decorated with scouting knots? Here, you will tie knots such as the monkey-fist from scratch, although it's your choice whether or not you use them to decorate your Christmas tree.

### S – 04 Build a bridge

Your group will work together building a bridge from one side of a river to the other. This is a great activity if you don't want to get your shoes wet.

### V – 08 Break the ice / Icebreaker !

How well does your group work together? How well are you going to do at breaking the ice? Here, we have items of clothing encased in large blocks of ice. The challenge is to break the ice and be the first team to retrieve and don these garments.

### V – 09 Fishing

Nothing compares to sitting by the lakeside at Úlfjótstvatn, fishing with good friends, and that is exactly what we intend to do.

## The World of Scouting

It's back to basics at Scouting World, where we will get to know the old scouting ways. In these Baden-Powell inspired activities, you will need to be smart and quick witted.

You will have the chance to bridge a river, learn new knots, start a fire, or make soup with toast.

### S – 05 Roman carriage

Here, the patrol will construct a “chariot”, drawn by human muscle power, and which, with a few minor alterations, can be converted to serve as a makeshift casualty transport. Wooden poles, spars, and lashing skills will feature prominently in this activity - If that’s not classic scouting, what is?

### S–06 Make your own camping equipment

Here you will learn to make your own camping equipment. You can then use what you learn to construct your own camp furniture.

### S – 07 Let’s play

No one is older than he or she wants to be. Here, you will learn 4-6 games to suit all ages, and which are guaranteed to bring a smile to your face.

### S – 08 Working together – Does it matter?

Do you trust your group? Are you an effective team? Here, you will need to rely on your fellow scouts, and everyone will need to work together for the adventures that lie ahead.

### S – 09 First aid

Here you will learn first aid skills which you can use in case of emergency.

### S – 10 Scout cooking

Learn how to cook without electricity. You can do a lot more than just boil water for noodle soup. Here, you will learn to use a portable stove to cook something really tasty.

## The World of Wonder

In World of Wonder / Wonderworld, you will find a wide variety of activities, which are sure to be exciting as well as fun. Perhaps you can try giant twister, super billiards or bubble-ball?

Come and join us on an expedition...

### U–01 Foosball

Have you ever dreamed of being a professional football player? This is your chance to line up your team for a game of human foosball. This will be the game of the year.

### U–02 Bubble-football

Football is a fun sport, but it’s so much more fun when players are encased in a huge

bubbles. Unlike normal football, where pushing other players is generally frowned upon, you are encouraged to do so here.

#### U – 03 Science Corner

Is there a scientist in your group? Do you enjoy doing scientific experiments? Here, you can!

#### U – 04 Casualty makeup

Have you ever wondered how they make the simulated wounds and injuries you see in the movies? Do you want to try to your hand at it yourself? Here you will learn how to apply makeup to realistically simulate injuries.

#### U – 05 Box climbing

Is your balance OK? Do you know how to climb? Come and show us what you can do. Will your group beat the current record?

#### U–06-Car rally

Did you ever have a push car rally when you were younger? If so, this is the perfect activity for you, but we are going to do it with

real cars. Your group will tackle several projects and have to complete several tracks.

#### U–07 Giant twister

Have you ever played Twister? How about giant twister? This activity will challenge your group's flexibility, agility, and perseverance. Yellow, red, green ...

#### U–08 Archery

Robin Hood had excellent archery skills. Would you like to have those skills as well? You don't have to look like Robin to do well, just come and try.

#### U – 09 Giant Yatzy and Ludo

Do you like games? In this activity you can try your hand at supersized games. Can your group handle giant dice? Can you play the role of the tokens in a game of Ludo?

#### U–10 Super marbles and super billiards

Regular marbles and billiards have shifted in size here. Come and try supersized marbles and supersized billiards.

### The World of Vikings

The Vikings are as renowned for their handcrafts as they are notorious for their savage battles. At Viking World you will have the chance to look into to the past and discover your Viking roots. If you like ancient martial arts, such as archery or

swordsmanship, you will have your chance to shine at Viking World. If, however, you prefer working on art projects, there will be challenges and projects for you as well.

#### VI – 01 Woodworks

Who doesn't enjoy whittling wood? Here, you can make your own pen, scout Knot or just give your imagination free rein. You will also learn how to handle knives and axes safely.

#### VI – 02 Metal workshop

Forging was an almost daily activity for the Vikings. Here you can try it for yourself on a smaller scale, and make Viking jewellery, plates, or utensils.

#### VI – 03 Wool workshop

Vikings wore mainly woolen clothing. Here, the plan is to make Viking clothing using felted and coloured wool. If you have the time, you may also be able to make a phone wallet, purse or some other item for everyday use.

#### VI – 04 Leather workshop

Leather was one of the most popular materials with which to work during the Viking period. Here, you will have the opportunity to work with leather in a fun way, and you will go home with at least one necklace or bracelet.

#### VI – 04 Food workshop

Everyone needs to eat, and so did the Vikings. Here, we will learn to cook the Viking way. You will bake bread in a pot, grill fish on skewers, and more.
